D.C recommends for the sanction of doles at 2/- pm to four destitutes But the ML-d have resolved to give doles to 5 persons this does not make any difference in the expenditure involved, - as 3 have been resolved to be paid Rs 2/- each the other 2 ~~to be~~ only Re 1/- each

In the circumstances a dft go according sanction to pay doles to four destitutes at Rs 2/- formally, as put up for favour of approval or otherwise

Report furnished by the President
says that the PC-CC has proposed to
give the benefit of doles to 4 persons
generally at the rate of Rs 2/- each, but for
some time the CC want to devide
one of the benefits proposed between
two persons viz Thammaga & Hayathe, until
either of them dies or leaves the town
This proposal of division explains
that these two are not deserving of help
to the same extent as the other three

and also suggests that one of them will probably continue to remain in the Town after the other will have left the place or be dead, provided the one survives

In case one survives & remains in the Town the full benefit of a dole of Rs 2/- is perhaps thought of by the Hl Cl to be shown to that person. This means the enhancement of the benefit shown to the person & perhaps to a greater extent than deserved, however small the amount involved be

If these persons be also deserving of the help to the maximum extent proposed, the Hl Cl will be asked, if approved, to enhance the number of doles in five at a uniform rate of Rs 2/- But it seems from their proposal that either the Hl Cl cannot be prepared to spend any more of its funds in this behalf or the 2 persons between whom a dole is ought to be divided do not deserve to be paid at the rate of Rs 2/- each as the other three

It is, therefore, necessary perhaps not to sanction four doles at a uniform rate of Rs 2/- each, & that it will be expedient to give 3 doles at the
